Second Announcement

INTERNATIONAL CONFERENCE OF YOUNG SCIENTISTS AND Ph.D. STUDENTS IEP-2023

May 15-18, 2023

Dear young scientists,

Institute of Electron Physics, National Academy of Sciences of Ukraine, announces the 11th Conference of Young Scientists and Ph.D. students IEP-2023.

Conference Topics

- Physics of collisions of electrons, atoms, ions, molecules, and photons.
- Atomic and molecular spectroscopy.
- Nonlinear optics and laser physics.
- Physical and chemical fundamentals and technology of fabrication, treatment, and application of microscopic and mesoscopic crystals, films, and glasses.
- Low-energy nuclear physics.
- Radiation safety, anthropogenic environmental safety.
- Theoretical physics.

Conference Details

The conference languages are Ukrainian and English.

Participation: oral offline/online reports (15 min.)

The conference proceedings: an abstract book will be published.

To apply for the participation in the conference please send your abstract **by April 5, 2023** using an electronic **Google-form** <https://forms.gle/86NLzS48JwwMyBx77>

The participation is **free of charge**.

Abstract Submission

Abstracts **of 1–2 pages** of A4 size should be submitted in Microsoft Word format with 2 cm margins (Times New Roman, font size 14, single-spaced) in Ukrainian or English according to the template (http://www.iep.org.ua/content/conferenc/iep_2023/files/Abstract_IEP2023_eng.doc). The filename should correspond to the speaker's surname (for example, Brown.doc).

Publication of the Conference Proceedings

The conference abstracts (only the contributions presented at the conference) will be published in the Abstract book with an ISBN assigned. The most interesting contributions of the conference will be recommended by the Conference Programme Committee for **free-of-charge** publication as papers in a journal ***Uzhhorod University Scientific Herald. Series Physics*** (indexed in **Scopus** and **Google Scholar**). All the papers will undergo standard peer-review procedure according to the journal rules <https://physics.uz.ua/uk/publication-terms>.

After the conference all the speakers will receive participation certificates in electronic form. The authors of the best contributions will be awarded diplomas.

Important Dates

Abstract submission: **April 5, 2023 (inclusive)**

Conference: **May 15-18, 2023**

Certificates and diplomas will be sent by **May 30, 2023**

Abstract book published online: **June 5, 2023**

Submission of the selected papers to the journal: **June 30, 2023**

The conference e-mail: iep2023.uzhhorod@gmail.com
